

AAPM / RSNA IMAGING PHYSICS RESIDENCY GRANT

Applicant Eligibility:

The purpose of AAPM funding is to provide 50% support of a resident's salary for two imaging physics residents. The awardee institution(s) will provide the other 50% support. After the period of the award is over, the intent is that the awardee institution(s) will continue to fully support this new imaging physics residency position. Demonstration of this intent should be included in the application materials.

- CAMPEP accreditation is expected within the first year of the funding period, if a program is not currently accredited.
- Open to existing or new imaging residency programs.
- 1st priority — New programs (hence new slots), no previous funding from any AAPM program. A new program is defined as one that has applied for CAMPEP accreditation after January 1, 2021, or has not yet applied for CAMPEP accreditation.
- 2nd priority — Existing program but with new slots, no previous funding from any AAPM program. A new slot is defined as one that has been created or filled after January 1, 2021.
- 3rd priority — Existing program but with new slots, has had previous funding from an AAPM program. A new slot is defined as one that has been created or filled after January 1, 2021.

History:

The AAPM Board of Directors has approved \$420,000 in support over 6-years (\$70,000/year starting in 2019) to fund six spots in existing or new imaging residency programs. The RSNA Board of Directors approved \$210,000 in funding for three additional slots in existing or new imaging residency programs.
