

North Central Chapter of AAPM (1973-2015)

Sugata Tripathi, Casey Abing, Mike Kowalok, Wes Culberson, Tony Murphy

Formation of the North Central Chapter was first considered in 1970. Proposed constitution, by-laws, and geographical boundary was discussed during the 1973 RSNA at the Blackstone Hotel. The first meeting was held April 5, 1974 in Madison, WI and was a joint meeting with the North Central Health Physics Society. John Cameron served as the Temporary Chairman and Acting Secretary.

MEMORANDUM
 November 13, 1970

TO: Wisconsin AAPM Members

FROM: William G. Connor

SUBJECT: Establishment of a Wisconsin Area Chapter of the AAPM

On November 11, 1970, several members of the AAPM (W.G. Connor, J. R. Cameron, C. A. Kelley, J. M. Hevrel, H. Hansen and K. P. Doppie) held an informal meeting to discuss the desirability and feasibility of establishing a Wisconsin Regional Chapter of the AAPM. It was decided that this might be desirable and the following members of the AAPM are therefore being contacted to solicit their views. This is the purpose of this memorandum and I would appreciate receiving your comments as soon as possible.

The next step in the procedure will be to form an Ad-Hoc Organization Committee to contact the AAPM National Organization Committee and draft a constitution for our Regional Chapter. These efforts will proceed and interested members wishing to join this memorandum will be contacted about further developments. The list of AAPM members (see below) being contacted in this primary inquiry may not be complete and I would appreciate help in making sure all interested members are notified. Please tell your associates of this endeavor if their name does not appear in this list and I will include their names in the next mailing if they respond.

Thank you for your cooperation and I'll look forward to hearing from you.

AAPM Members in Wisconsin:

1. W. G. Connor	10. P. F. July
2. J. R. Cameron	11. B. M. Kervy

MEMORANDUM

TO: Medical Physicists in Wisconsin, Minnesota, Iowa and the Dakotas

FROM: John R. Cameron

A group of us have decided there is merit in having an AAPM Chapter in this area. We suggest that we call it the North Central Chapter. (It covers the same states as the North Central Chapter of the IAEA). If you are interested in joining this proposed chapter, please return the enclosed application blank. We would expect the idea to be approved by the AAPM and then we will have a half or full day meeting one or twice a year—perhaps in conjunction with the NC-HP Society or the Midwest AAPM Chapter meeting.

If we get at least 10 full members we will draft a set of by-laws based on those of other AAPM chapters and circulate them for comments. This memo is being sent to those individuals in the attached list.

If you have other interested applicants please invite them to join. You do not have to be an AAPM member to be the chapter.

Your comments and suggestions would be welcome. If you are willing to be active as an officer or on the Board of the new chapter, please check the appropriate space.

December 4, 1973
 Minutes of Proposed North Central Chapter of the AAPM (NC-AAPM)

An organizational meeting was held in the Blackstone Hotel on 28 November 1973 commencing at 1:00 P.M. with John Cameron serving as temporary Chairman. The following individuals were present: R. J. Boge, V. R. Aris, D. P. Palietos, S. G. Lane, V. C. Moore, A. G. Orvis, R. R. Paliwal, J. T. Payne, J. M. Hansen and C. A. Wilson. Ray T. Jager was also present for a short while during the meeting. John Cameron asked how the members wished to have the meeting run; they agreed to have him chair the meeting.

There was a discussion of the proposed constitution and by-laws of the NC-AAPM. Al Orvis proposed that the nominating committee should be required to submit two names for each position. This was agreed upon unanimously.

There was a brief discussion of the geographical bounds of the NC-AAPM. It was pointed out that there are not strict rules on this matter and any AAPM member can join any chapter he wishes. It was generally felt that those should be added to the list of states covered by the NC-AAPM since we have received membership applications from two medical physicists in Iowa and it is not clear that these are my other members in that state.

John Cameron reported that our application to be a chapter of the AAPM had been submitted several weeks earlier to the AAPM National Chapter Committee. The committee had not yet made a decision but there seemed little doubt that we would have our problems solved.

Cameron pointed out that 35 individuals had applied for membership and of these 25 are full or junior members of the AAPM.

Cameron suggested that an appropriate time and place for the first meeting of the new chapter would be Madison, Wisconsin on the morning of April 5, 1974. The NC Chapter of the Health Physics Society will be meeting in Madison that afternoon and we could thus have an NC-AAPM Scientific meeting in the program and an NC-HP Scientific meeting in the afternoon. The details of the program and business meeting were left to an ad hoc committee which will also serve as the nominating committee. This committee is: Al Orvis, Vaughn Moore and John Cameron. This committee is to make nominations for the various offices and to arrange the election by mail ballot before April 5, 1974.

There was a brief discussion of dues but since no money is needed at this time it was decided to postpone this matter until April 5.

The meeting adjourned at approximately 1:50 P.M.

Respectfully submitted
 John R. Cameron
 Acting Secretary

Dear John:

Thank you for accepting the nomination of the NC-AAPM Executive Board to serve on the Local Arrangements Committee for the 1974 AAPM meeting. The committee that I chaired for the NC-HP Society and that I will involve considerable work on individual efforts from both of which will be recognized by the general membership of the national body. It will, however, be very rewarding for all of us to see a project of this magnitude carried to successful completion in the North Central region. This will in turn reflect on the quality and activity of medical physics practice in our area which I feel is of concern to all.

As most of you are aware, Ed McCullough has agreed to act as chairman of the local arrangement committee. The names of other individuals in our area I will list later. Individuals whose names and composition of the local arrangements committee for the 1974 National AAPM Meeting in San Francisco, Oregon and attempt to contact your chairmen or chairwomen. I would request that all of you who can possibly do so attend the additional insight into the problems and the steps involved in the work for which you will be responsible. A good starting point for your thoughts along this line will be the minutes for the meeting of the central committee meeting prepared by the National Committee in 1973. With the minutes that have come to us via the National AAPM Office from the Cincinnati local arrangement committee headed by Jim Lawrence in 1977.

Thank you once again for your help. You are the individuals who will make the 1974 meeting a success. Do wish however to emphasize that this project is an opportunity to strengthen the NC-AAPM organization. If we have the effort of include as many of our members as possible in the work ahead, I encourage each of you to consider formation of a small committee to assist you when the time is appropriate.

Sincerely yours,
 Gary D. Fullerton
 President

History of The NCCAAPM Chapter Website

- 2000-2005: E. Russell Ritenour started an html edition of NCCAAPM chapter webpage and was the first editor.
- June, 2005-2014: Sugata Tripathi volunteered as the website editor. Vendor participation, Meeting Information and agenda available/archived since 2005. AAPM hosted the chapter website at <http://www.aapm.org/nccaapm>
- August 2005: Website moved to chapter.aapm.org/nccaapm
- 2014: Mike Kowalok took over as the website editor
- August 2014: On-line meeting registration Introduced! PayPal added to the website meeting announcements for easy sign up and meeting dues.
