

UPSTATE NEW YORK ASSOCIATION OF PHYSICISTS IN MEDICINE, INC

Russell Kincaid PhD, Sanjay Raina PhD, Anh H. Le PhD, Harish Malhotra PhD, David "Nick" Schaaf PhD

OUR STORY

On August 7th 1975 we were established as an AAPM chapter for the Upstate New York region (excluding NYC).

Our growing membership of 150+ members includes: students, fellows, and employed physicists in clinical and academic positions.

LICENSURE in NY

New York was one of the first few states to license the practice of medical physics.

Specialties include:

- Therapeutic Medical Physics
- Diagnostic Radiological Physics
- Medical Health physics
- Medical Nuclear Physics

OUR MISSION

Encourage Young Investigators
